"LONDON LINES"

My prediction, at the onset of the season, that this year's Premier League would be the toughest yet, seems to be proving correct, and they do not come any tougher than our opponents this weekend, Yorkshire.

Remarkably, our two counties have won no less than seven of the ten Premier Division Championships to date, and if you look at the current positions, only a fool (or a Lancastrian perhaps!), would bet against either of us making it eight from eleven.

Yorkshire enjoyed tremendous all round success in their last match against Cambridge, whilst we had an indifferent time of things in the West Midlands. However, my old adversary John Bostock will know that 'that means nowt', and that this match will be as keenly contested as all previous encounters.

It remains for me to extend the warmest of welcomes to the entire Yorkshire party, with a wish that their weekend with us, if not entirely successful, is an enjoyable one.

I think we all owe a great debt of thanks to Betty Barnes, who burnt the midnight oil, producing a really amusing and original song sheet for all the London supporters. The first try-out, in the Midlands, was a bit disjointed so please make sure you have got your copy, and lets ALL hear those London voices. - well done Barnsey!!

Finally, some of you may not be aware of the tragic and sudden passing of one of darts true stalwarts. I refer to Ken Osborne. For so long the backbone of Lancashire darts. Ken's dedication to the sport and his enthusiasm for his beloved Lancashire will be sorely missed by all connected with London.

"LONDON MENS SUPER LEAGUE REPORT"

Leyton hold the top spot in the Premier Division, but by the barest of margins. They have an unbeaten record, whilst reigning champions have dropped one match, against West Ham, although both clubs are locked on 52 points each. The top positions in both divisions are:-

PREMIER			FIRST		
	Played	Pts		Played	Pts
Leyton	5	52	Waltham Forest	7	62
Brentford	5	52	Dagenham	6	55
Kensington	5	46	Leytonstone	6	54

Reg Harding (Leyton) heads three tables. Top overall average of 35.95 following 5 wins out of 5. Most 180's with 5, and top ton average with 2.64 per leg. Ray Cornibert (Kensington) heads the top individual game average with 37.11 and shares the honours in the highest game shot category, on 156, with Keith Wetton (Enfield) and Roger Challis (Leytonstone).

Finally, my congratulations to Graham Miller (Kensington) for his qualification through to the Grand Finals of the Winmau World Masters.

LONDON LADIES SUPER LEAGUE REPORT

After the first few weeks of the league season, reigning champions, Kensington, are again in contention. At the time of going to press the top positions are:-

	Played	Points
Haringey	5	45
Kensington	4	42
Leytonstone	6	41

	Highest Ind. Average	Highest Game Shot
Mina Nightingale (Haringey)	26.37	Annabelle Long (Kensington) 128
Nicky Blakebrough (Haringey)	25.05	Francesca Greenway (W.For.) 114
June Myers (Waltham Forest)	24.44	

We have enjoyed quite a bit of success on the competition front recently, no more so than Sharon Colclough's championship winning performance in the gold cup singles. Tricia Wright has qualified for the Grand Finals of the Women's World Masters, and her team, Kensington, failed by the odd leg in 7 to lift the British champions cup, losing out to Cleveland in the final. The Butlins autumn festival ended as an all London affair, with Mina Nightingale emerging the 2-0 victor over Tricia. My congratulations to one and all.
