On behalf of the Essex County Darts Organisation it is my great pleasure to welcome you all to The Paddocks Community Centre for what I am sure will be produce its usual closely contested Premier League Inter Counties Match, A very special welcome indeed must go to the Players, Officials and Supporters of our opponents LONDON our very close neighbours who we have had some titanic battles with in the past. Both teams started with a win and will be looking to consolidate their positions. Good luck to all the players and may the best team win.

Alan Robson  
Chairman E.C.D.O.
