"LONDON LINES"

Well hallo again! It only seems like yesterday that we were all together for the Cambridgeshire Match. Actually, it was a couple of weeks ago due to the match being rearranged. This weekend I would like to extend the warmest of welcomes to our guests from the County of West Midlands, and on behalf of all of their friends in London I trust they have an enjoyable time in the Capital. Things haven't always gone the way we would have hoped this season. Key players missing, illness, pregnancies and the fact that we have, perhaps, had to push players a little bit quicker and a little bit harder than we otherwise would have wished, meant that we were in the very unusual position of looking up at a lot of teams in the accumulative league table instead of down. However, the tremendous all-round performance against Cambridgeshire has given us a little extra breathing space. In fourteen years of being part of London, I can rarely think of a weekend when I was more proud and I know I speak on behalf of the entire executive committee and supporters when I say that. What can I say about our Ladies 'A' Team? 5-1 against Lancashire and a whopping 6-0 against Cambridgeshire, both of those teams boasting an unbeaten record prior to meeting our girls. I think the injections of neat 5 Star Martell straight into a vein may have something to do with it! That notwithstanding it was a tremendous all round county performance of which each and every player played their part and which they should be proud of. However, back to reality. This weekend we face a West Midlands County which has consolidated its promotion of last season and knowing Rod and Dot Harvey, as I do, they will ensure their players are fully prepared for the matches ahead. It promises to be a great weekend of darts.

LONDON SILVER JUBILEE GALA EVENING

When asked the question 'What great event took place in 1966', I guess most would reply that was the year England won the World Cup at Wembley. Some, who should know better, might say that that was the year that Phil Jones last bought a round of drinks! Actually, the most notable event of 1966 for the formation of the Greater London County Darts League, also known as the G.L.D.O., the London Super League or just plain London.

Mathematicians among you will have worked out that this year being 1991 we are now celebrating our Silver Jubilee. Twenty five years of Super League action. To mark the occasion, we will be holding a Silver Jubilee Gala evening the details of which you can find below. In addition, London historian Roger Nickson will be producing a definitive history of the county, in book form, which will have all the Super League and County Records, for both men and ladies, dating right back to that inaugural year. On the night of celebration itself, there will be an exhibition of 'London Memorabilia', photographs, shirts, programmes etc. etc. just to stir the old brain cells. If you have anything pertaining to London that you would like included in this exhibition 'London Through The Ages', please contact Roger Nickson on 081-852-1176. Apart from meeting up with friendly faces from the past, the night will also include the current London mens and ladies presentations, a four course meal, disco dancing until 2.00am, and a special comedy cabaret. It promises to be the event of the London social calendar - make sure you don't miss it.
